Ariel Burger: Lessons From Elie Wiesel's Classroom

Thursday, May 9, 2019 at 7:00pm

Dr. Ariel Burger is a writer, artist, teacher, and rabbi. He first met Elie Wiesel at age fifteen. They studied and taught together, developing an intimate relationship over several decades.

Dr. Elie Wiesel was the recipient of a Nobel Peace Prize for his advocacy for world peace. He taught his students about Faith, God, and, when asked about his growing up, the Holocaust.

Having lived through the Shoah, what course of action did Wiesel use to urge his students, and the world, to keep the Holocaust alive and relevant, and to honor the memories of those who were murdered in the Shoah? As time moves ahead, the number of survivors are decreasing, so who will be left to tell their story such that "Never Again" becomes a reality?

These, and a myriad of other topics from Professor Wiesel's classroom, are brought back to us in Ariel Burger's new book.

Free and open to the public. Books will be available for sale and signing.
RSVPs appreciated, walk-ins welcome. Refreshments will be served.
